

## Playground Character List

Alice Blue is the southern girl who's the new kid on the block. She has a wild imagination and loves to be the center of attention. She also dreams of being famous at any cost.

Marky Smith is clean cut and always worried about doing the wrong thing. His manners are very effeminate along with his awkward appearance. He quickly becomes aware of his homosexuality at a young age making him an easy target for ridicule.

Kelly Johnson is the tomboy of the group and has a very pessimistic view on everything and everyone including her own best friends. She wants more out of life but her own mean-spirited attitude stands in her way.

Jojo Smith is the quiet one of the bunch. He comes from a poor home with a father who constantly hits him and a loving mother that he will protect until the day he dies.

Todd Bowers is the bully who is always disrupting the playground with his ape-like torment towards the others. He just basically never grows up.

Special note: All five actors play the age range of pre-teen to early 30's.
