

WHERE'D MY SOCK GO?

Character List-

Lorna, 10 – Max's sister, inquisitive, loves reading,

Max, 12 – Lorna's brother, into his techno toys, a bit pessimistic and skeptical

Jarrod's Yellow Sock – energetic, acts like a kid in a candy shop to new things

Fabreeka- a fabric softener, keeps count of who enters Hamperville

Pearl Two – the sock that mends all the socks when they tear a string, owner of the Mending Clinic

Shoe and String – a shoestring embodied by two characters; Shoe gets very excited and rambles a lot and String, is the creative calm type.

Wooler – an old fussy Army sock, a loner and doesn't relate to any of the socks

The Five Toes - a five toed sock performing arts group who sing, dance, play and act.

Little Toe – sassy and brassy

Second Toe – always concerned about budget

Middle Toe – gossipy

Fourth Toe - optimistic

Big Toe – the boss

Lorna's Multi-Colored Sock- very happy and colorful, a popular sock

Argyle- an uppish sock, head of Dirt's place, doesn't like to be dirty but does so to keep in good graces with Dirt

Lipstick- cutesy and a bit of an airhead, fell in with the socks and into Hamperville

Loose Change- mischievous and greedy

Gum – a bad piece of gum from the wrong side of the wrapper

Jarrod, 8 - the human child waiting to be rescued, very shy and polite, has allergies

Spin - Dirt's villainous sidekick, able to spin Hamperville into a whirl of frenzy and make the socks disappear forever

The Sludge Watcher- makes sure the sludge runs smooth between the laundry trail and Hamperville

Dirt- just an evil dirty sock that got mixed in with the clean socks, very mean

Nosey-Dosey Sock – a sock that likes to snoop out any kind of gossip and dish

Ensemble Players-

Pre-teens- Max's techno friends, kids who are constantly on their phone, cell, computers and ipods

Lint – the sneaky little henchman characters that roam all over Hamperville being the eyes and ears for Dirt. They sometimes speak as one or in random order

Jock Socks- the rough and tumble jock socks, always socking around
